Kings Valley Charter School Board of Directors Agenda

Proposed for 05/31/2023

Review the Mission: Kings Valley Charter School will provide rural, community-based education tailored to the individual needs and interests of each child, emphasizing the involvement of parents and the community. The goal of the Kings Valley Charter School is to achieve academic excellence for all students through an individualized program. The environment at Kings Valley Charter School will promote self-motivation, responsibility and a positive attitude.

Basic premise- everyone is doing their best! Everyone is conducting themselves with good intentions.

Go backs are encouraged.
