

Notice of Unused Burial Spaces - Mount Union Cemetery

In accordance with Oregon state law, this public notice serves to inform all interested parties that the Mount Union Cemetery Association Board of Trustees has identified a number of unused and unclaimed burial spaces that were purchased over 75 years ago. No contact with the owners has been received in that time, and no heirs can be located. These burial spaces, listed below, are now eligible to be reclaimed by the Association and made available to sell unless someone can show a rightful claim.

If you have any right, title, estate, lien or ownership interest in any of the unclaimed burial spaces listed in this notice, you must file a claim with Mount Union Cemetery Association within 120 days of this notice or you will lose your interest in the unclaimed spaces in this notice.

Claimants are asked to provide relevant documentation or evidence supporting their claim, such as receipts, family records, historical documents, or other verifiable information. Please direct all inquiries to:

Mount Union Cemetery Association
P.O. Box 1025
Philomath, OR 97370
